

## Mission iq test

Complete the following analogies without communicate with other people. Aids allowed.

The answer may seems to be not unique, but actually is unique, because you have to find the answer that satisfy the most number of clues and the most strict pattern.

Send 6 euro or 7 USD with Paypal to: [marcofalchi18@gmail.com](mailto:marcofalchi18@gmail.com)

Send answers to : marcofalchi18@gmail.com

Feel free to ask any questions about this test.

A first norm will be added after 30 submissions.
